ABOUT

ML Engineer with 4 years' experience.

CAREER HISTORY

Harrow Technologies | Applied Scientist | 2023 – Present
Used Azure in production.
Worked with SQL in production.
Worked with MLflow in production.

Lakeside Data Co | Applied Scientist | 2021 – 2023
Engineered input variables and tuned gradient-boosted predictors for churn forecasting.
Applied TensorFlow in production.

QUALIFICATIONS

Glenview University — BSc in Computer Science (2017–2020)

KEY SKILLS

Skills: Azure, TensorFlow, SQL, MLflow
